NOTE: THIS IS A NEW CONTRACT FOR INTERNET TRAINING.

This is a multiple award contract. Users must review all the following contracts for optimal pricing and service: MA-1179 (ExecuTrain) and MA-528 (PC Training West). Document purchasing selection.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

REPORTS: The contractor will submit quarterly reports to the state purchasing agent showing quantities and dollar volume of purchases by each state agency and political subdivision. These reports will be due 10 days after the calendar quarter.

**Cancellation Policy**

A minimum of three (3) business days notification in advance of a ONE or TWO day class if a student needs to cancel or reschedule. A minimum of ten (10) days for classes involving more than three consecutive days of training.

Cancellations with less than those minimum days as specified above will incur a \$50 fee for application classes, and a 20% fee for classes of three or more days.

NO-SHOWS will be charged the full cost of the course.
